PROCEEDINGS

The sixty-sixth session of the Coldwater Association was held with the church at Como, beginning October 16, 1907, at 10 o'clock.

Devotional exercises were conducted by Bro. W. A. Jordan of Clarksdale.

The letters from the churches were presented and read by Bros. H. A. Dubois and J. A. Horton.

The Association now went into permanent organization by electing the following officers:

Bro. J. C. Droke, Moderator; J. L. Holloway, Treasurer, and Walton E. Lee, Clerk.

The presence of a number of visiting brethren was noted with pleasure, viz.: Bros. Barnett and Jordan, of the Sunflower Association; Bro. Duncan, of the Tishomingo Association; and Bro. Allen, of the Central Association.

The following committees were appointed:

On Finance—Bros. W. J. Self, A. J. Howard, T. P. Janney and J. L. Holloway.

On Order of Business—Bros. J. A. McCord, J. W. Crawford and M. Blocker.

On Devotional Exercises—Pastor and deacons of this church, with Bro. H. A. Dubois.

Tabulating Committee—Bros. J. A. Bell and A. T. Howell.

The hour having arrived, the Association adjourned to meet at 2 o'clock.

Benediction by Bro. A. G. Perry.

AFTERNOON SESSION.

This session opened with devotional exercises conducted by Bro. J. P. Horton.

The Committee on Order of Business made the following report:

Meet at 9 o'clock a.m., adjourn at 12.

Meet at 1:30 o'clock p.m., adjourn at 4.

Meet at 7 o'clock p.m., adjourn at will.

This report was amended so as to embrace the three reports on missions under one reading and discussion, and the hour fixed for 10:30 o'clock tomorrow morning.

The report on Sunday School work was presented by Dr. T. A. Knight, which follows, and pending its adoption was discussed by Dr. Knight, Bros. Dubois and Foster, after which it was adopted.

Your Committee on Sundry Schools beg to submit the following report:

First—I think the reason the Sabbath School interest is waning is because so many of the members of the church have such little interest in the welfare of the church that they disregard for the Lord's Day and His house of worship, that their children think the Sabbath Day a day of riotous living. Your committee has seen that when the church was fully attended by its membership in the Sunday School all the community was moved by old and young and the influence was to bring souls to Christ, both young and old.

Second—Children are a gift of God, and the wise man says: "Train up a child in the way it should go, and when it is old it will not depart from it;" in Genesis 33:5 we have these words: "And he lifted up his eyes and saw the woman and the children, and said, who are those with thee, and he said, the children which God hath graciously given thy servant."

One hundred and twenty-seventh Psalm says in words: "Lo, children are an heritage of the Lord and the fruit of the womb is his reward; as arrows are in the hand of a mighty man, so are children of the youth. Happy is the man that hath his quiver full of them; they shall not be ashamed, but they shall speak with the enemies in the gate." One hundred and twenty-eighth Psalm has this to say: "The Lord shall bless thee out of Zion and thou shall see the good of Jerusalem all the days of thy life. Yea, thou shalt see thy children's children and peace upon Israel."

Prov. 10:1: "A wise son maketh a glad father, but a foolish son is the heaviness of his mother."

Prov. 17:6: "Children's children are the crown of old men, and the glory of children are their fathers."

Prov. 29:3: "Whoso loveth wisdom rejoiceth his father, but he that keepeth company with harlots spendeth his substance."

Lastly, the good of having children in church services.

John 6:9: "There is a lad here which has five barley loaves and two small fishes, but what are they among so many?"

2 Kings: "Now Naaman, captain of the hosts of the king of Syria, captured a little maid and took her a captive from Israel, and she waited on Naaman's wife, and Naaman had leprosy, and the little maid said: And she said unto her mistress: Would God, my Lord, were with prophet, that is, in Samaria, for he would recover him of his leprosy." Respectfully submitted,

T. A. KNIGHT.

The report on Publications was read by Bro. Dubois, and after a discussion by Bros. Dubois, Perry and Jordan, Bro. Cinnamond then introduced the following resolution, which was adopted: "Resolved, That the Executive Board of this Association be authorized and empowered to expend an amount equal to 10 per cent. of funds coming into their hands for Associational Missions, for the purpose of purchasing Baptist denominational books and tracts, which shall be supplied to pastors, Sunday School superintendents and others interested, for sale or distribution at cost."

It was moved to carry this report over till tomorrow morning, which was done.

At this juncture the Executive Board for the coming year was appointed, viz.:

EXECUTIVE BOARD.

After necessary announcements the Association adjourned with prayer by Bro. Bell, to meet tomorrow morning at 9 o'clock.

At night the Associational sermon was preached by Bro. McCord from Eph. 3:21, setting forth clearly the mission of the church in the world.

SECOND DAY—MORNING SESSION.

The Association met pursuant to adjournment, present and presiding as on yesterday.

Bro. J. E. Barnett conducted devotional exercise, reading from the sixth chapter of John.

The following visiting brethren, whose coming in was noted, were recognized and welcomed: Bro. Rowe, our State Mission

Secretary; Bros. Perkins, McCullough and J. W. Lee from the Oxford Association, and B. F. Whitten of Memphis.

Minutes of yesterday's proceedings were read and adopted. The discussion of the report on publications, which was left open from yesterday, was resumed. Bros. Rowe and McCord spoke to the report, after which it was adopted.

REPORT ON PUBLICATIONS.

As a man reads so he thinks, and as he thinks he will act, therefore it is of the utmost importance that we read aright.

As wholesome food is essential for the body, so is wholesome reading essential for the mental faculties.

We would recommend first of all a careful, prayerful study of God's word.

We would also recommend the publications of our Sunday School Board and of our mission boards, the Foreign Mission Journal and the Home Field and of the Orphanage Gem.

We would urge every pastor to make especial efforts to put good denominational tracts into the hands of the people.

We note with interest the continual improvement in our own State paper, "The Baptist Record," and urge the importance of putting it into every family of Baptists in the State, and as many other families as possible.

Respectfully submitted,

H. A. DUBOISE.

The report on Sustentations, taken from the convention minutes, was read by Bro. Metts, and was discussed by Bros. Metts, Rowe, Hughey and Dockery. A cash contribution amounting to \$18.90 was taken for this purpose and given to Bro. Rowe.

Bro. Dockery moved that the pastors be requested to present the claims of the indigent ministers and widows of deceased ministers to their churches, and an offering taken for this purpose, which motion was adopted.

The report was then adopted and here follows:

REPORT ON SUSTENTATION.

We are very proud of the number of churches and members we now have in Mississippi, but we should not forget that the foundation for this growth and development was laid largely by men and ministers of very limited means and opportunities, and amid great difficulties and large sacrifices.

In the main, these preachers supported their own families and rode many miles to preach the gospel once a month, once a quarter, or once a year. Some of these ministers, now old and decrepit, having worn themselves out serving the churches for a mere pittance of this world's goods, are still kept on this side of the river for God's glory and our development in Chris-

tion charity and loving sympathy. There are also a number of widows and orphans of ministers, who are largely dependent upon the gifts of God's people for the necessities of life.

Our government liberally pensions her old soldiers, our State has provided a home and support for old and decrepit Confederate soldiers. Shall not we make provision for at least the absolute necessities of these faithful servants of God and the churches who have sacrificed their lives for the welfare of others? We learn from the report of our State Secretary that there are now sixteen of these beneficiaries who are helped a little for a part of the year, and that our Baptist hosts of Mississippi gave last year the sum of \$1,273.71 for this purpose through our Board; but "what are these among so many?"

We are glad to add that other brethren are aided by churches not reported to our Board.

Will not each pastor next fall or winter speak of this matter to his churches and give them an opportunity to have part in this grace also?

The reports on Missions, viz., Foreign, Home and State, were presented respectively by Bros. McCord, W. E. Lee and Cincinnati.

The remainder of the forenoon session was given to Bro. Rowe to address the Association on the Mission cause.

The Association then adjourned to meet at 1:30 o'clock.

AFTERNOON SESSION.

The opening devotional exercise of this session was conducted by Bro. J. W. Lee.

Bros. Perkins and J. W. Lee made an earnest plea for some of the churches on our southern border to withdraw and join the Oxford Association.

The discussion of the Mission question, which was left open in the forenoon, was resumed and this session was given to a consideration of the work and the plan of work in our Association. Dr. Emerson, chairman of the Executive Board of the "Laymen's Movement" in our Association, sent in a report on this department of our work, which was read and ordered printed in the minutes.

THE LAYMEN'S MISSIONARY MOVEMENT.

"Believing it to be the duty of the Church of Christ to preach the Gospel to every creature, it is my purpose to pray to give to study and to work as God may give me opportunity that the church of this generation may obey His command.

The above statement goes to the very heart of the question of the Laymen's Mission Movement.

The work of looking after the Kingdom of God has been

left to the preachers long enough. They have kept the work of the churches, boards, associations and conventions going, while most of us have contented ourselves by putting up a small pittance with which to carry on the work.

The preachers not only give their time, but put us to shame in giving of their means in proportion to their ability. By what law of nature or grace are they called upon to make greater sacrifices for the cause of Christ than the layman. If they must work and give ought not we give and work?

While the consecration of the layman's means is one of the principal objects of the movement, it is really recognized that this is impossible till the heart, head and hands of the laymen are enlisted in the service of the King.

Hence, the appeal is made for our laymen to rally to the work. The movement is in no sense an additional organization, but a movement within the churches to enlist more thoroughly the thought and activity of the laity. Remember, if you have been called into the service of Christ your main business is to serve Him.

You are to be the judge as to how you can best do this, but how can you serve Him unless your heart is in His cause? How can your heart be in His cause unless you know something of His work? And how can you know unless you give some time and thought to His interest?

A. L. EMERSON, M.D.

The Executive Board of the "Laymen's Movement," as recommended by the State Board, was approved and is composed of the following brethren: Dr. A. L. Emerson, chairman; J. N. Brown, Tucker of Byhalia, Tucker of Senatobia, L. F. Rainwater, T. A. Knight and instead of W. R. Dougherty the name of J. E. Austin was substituted.

The following recommendation was made by Bro. Horton and carried: "We recommend that the Secretary of our Associational Executive Board furnish the Clerk of the Association a detailed statement of all work done in the Association, such as requests made to the State Board, amounts received and expended and at what places. And that the Clerk be instructed to report this at each Association."

STATE MISSIONS.

The Mississippi State Mission Board began work some 35 years ago, with Rev. T. J. Walker as its first Corresponding Secretary, who continued to direct its affairs with ability and success for ten years. When in 1884 he retired on account of impaired health, the work was taken up and carried forward with happy results by the successive corresponding secretaries, Bros. L. Ball, J. B. Gambrell and J. T. Christian, till the elec-

tion of our present very efficient Secretary, Bro. A. V. Rowe, in 1893. Since that time the work has been constantly at high tide, and always as heretofore with the well-understood and inspiring motto, "Enlargement," and has attained magnificent proportions.

According to the report of the Committee on State Missions adopted by the last Baptist State Convention (July, 1907), the following figures were given as results of the Board's work for the year then closing: There had been 123 missionaries at work in the State, 8,788 days of service, 41,166 miles traveled, 173 mission stations supplied, 4,088 sermons preached, 1,600 prayer meetings, 9,851 religious visits, 2,471 baptized, 6 churches and 105 Sunday Schools organized and much other work done, and all this at an expense of only \$20,760. For the 35 years of the Board's operations there is given as a summing up of results the grand total of 40,075 baptisms and an expenditure of \$387,500. These results indicate that our motto, "Enlargement," has not been a word of meaningless sound, but a vital, actuating principle, in reality.

But all this is in the past—work already done, and well done—but valuable mainly as a basis of greater work, a vantage ground from which to project future operations upon a scale of still more ample "enlargement."

The last State Convention authorized the Board to appoint and maintain at least four evangelists in the State, and to meet these increased expenses the Baptists of the State are asked to increase their gifts to State Missions twenty-five per cent. the coming year. This larger giving must be done if we are to keep pace with the rapidly increasing population, the building up of towns and the development of our great natural resources. The tide of foreign immigration is more and more flowing into our borders, bringing its old world corruption and catholicism. If we would hold our fair State for the truth as Baptists believe it we must fortify by establishing and maintaining in every community a stronghold of our faith—a Baptist church. Let every Baptist show sincere and prayerful interest in the coming of our Lord's Kingdom by complying with this request of the Board for a 25 per cent. increase in contributions to State Missions.

Respectfully submitted,

A. T. CINNAMOND.

REPORT ON FOREIGN MISSIONS.

We note with humble gratitude to God that the outlook for Foreign Missions is very encouraging. The churches of the South have special reason to be thankful since there are so many unmistakable evidences of God's peculiar favors upon our work. The mission spirit is growing and spreading with every

passing year. More and more we are realizing that this work was divinely appointed and that it is destined to fill the whole earth with a knowledge of Christ.

Results—The churches of the Southern Baptist Convention gave last year the splendid sum of \$403,811 for Foreign Missions. This is an increase of nearly \$80,000 over the previous year. About nine cents on the dollar was used for expenses, and over ninety cents on the dollar went to the missionaries. There were twenty-one new missionaries sent out during the year. This will greatly strengthen our working force, but not in proportion to the imperative needs. Others are under appointment and will be sent out soon. We ought to have ten thousand soldiers in the war of conquest to take the world for Christ.

We have at present five hundred workers on foreign fields, 203 missionaries and 297 native helpers. There are 233 churches and 412 out-stations, with 13,437 members. There are 204 Sunday Schools, with 6,140 scholars, and 100 day schools with 2,607 scholars. These churches and missionaries gave last year for the spread of the Gospel \$29,200. This is a good example in Christian giving for the churches in the home land. There were 2,239 converts baptized in foreign fields last year, and with the number of workers increased and the people becoming more and more anxious to hear the Gospel, we are led to hope and believe that the number will be even larger this year.

Theological Schools—There is a great need in our foreign mission fields for a well-trained native ministry. We have seven theological training schools, with over a hundred men in attendance. They are one of the greatest factors for good in our work.

Medical Missionaries—We have eleven medical missionaries, 9 male and 2 female, all graduate physicians. Thousands come for treatment to our hospitals and dispensaries. There, in addition to getting bodily treatment, they hear the Gospel message.

Mission Study—A new department has been established, known as the Educational Department. Dr. T. B. Ray, Richmond, Va., has charge of this part of the work. He has already in the bounds of the Southern Baptist Convention over one hundred classes, with over a thousand students making a definite study of mission work.

Southern Baptists are so thrilled with joy over past results and so hopeful for the future that they will undertake to give this year \$750,000 for Foreign Missions. It is hoped that Mississippi will give her part, and let the churches of Coldwater Association see to it that they have a liberal part in this great work for our Lord, who loved us and gave Himself for us.

Respectfully submitted,

J. A. McCORD.

REPORT ON HOME MISSIONS.

There is no more gratifying development in the denomination than the growing interest of Southern Baptists in their home mission work. Leading men among us have of late freely published their conviction that this department of our work is of great strategic importance and should be enlarged without delay. The Southern Baptist Convention at its last session put itself on record to the same effect, and unanimously and warmly recommended to the denomination that contributions be doubled for this object this year, the total amount recommended being \$500,000. The following facts will confirm the sound judgment of the convention.

First—Home Missions have already done great things for Southern Baptists. Missionaries of the Home Mission Board have made hundreds of thousands of converts, constituted thousands of churches, organized thousands of Sunday Schools and assisted in establishing the Baptist cause in every State capital of the South save one, and in thousands of country places. Every State and almost every community has felt the direct or indirect influence of the work and received benefit from it. The record for last year, in independent and co-operative work, was in part 18,798 baptisms, 14,207 additions to churches by letter, 271 churches constituted, 309 houses of worship built or improved, 703 Sunday Schools organized. These figures do not include the untabulated influence of 112,604 gospel sermons and addresses and of the exemplary lives of 865 godly missionaries.

Second—The South presents great home mission need today. Southern cities are multiplying and growing in size and wickedness; floods of foreigners are coming in, who must be saved, or they will lower our standard of civilization; baneful heresies are being propagated in our midst; vast regions of destitution exist, especially in the Southwest; three thousand homeless churches call to us for shelters under which to worship our God; Cuba, the Isle of Pines, and Panama hold out appealing hands for the bread of life; the success of our mountain school work, as well as appalling need, encourage enlargement.

What answer will this Association make to these appeals; what will it do with this opportunity and this sacred duty? Your committee recommends (1) that we, as an Association, endeavor this year to increase our contributions to home missions in proportion to the advance recommended by the Southern Baptist Convention, which will be 50 per cent. over what we did last year; (2) that, in order to inform our people concerning this work and make possible the raising of this amount pastors and others be requested to secure and circulate among

our people the free literature of the Home Board. (3) That the messengers of each church in the Association be requested to secure at once a club of at least ten new subscribers to Our Home Field, the beautiful, 36-page magazine published by the Home Board at 25c a year; and (4) that we encourage our women to co-operate with the Woman's Missionary Union of the South in raising the \$75,000 which the Union proposes to secure for Home Missions this year. Respectfully,

WALTON E. LEE.

The hour being now past, the Association, after due announcements, adjourned with benediction by Bro. Horton, to meet tomorrow morning at 9 o'clock.

At night Bro. Jordan preached from Acts 1:8 to a large and appreciative audience. After the sermon Bro. J. W. Lee, a trustee of the prospective Tri-State Sanitarium, to be located in Memphis, made an earnest appeal in behalf of this very worthy undertaking. Benediction by Bro. Hughey.

THIRD DAY—MORNING SESSION.

The Association met at 9 o'clock. Bro. Hughey conducted devotional exercise, reading from Mat. 7.

Bros. Blocker, Metts and C. E. Emerson were appointed a Nominating Committee, who made the following report, which was adopted:

That the next Association be held with the church at Sardis, beginning Wednesday before the third Sunday in October, 1908. Bro. A. T. Cinnamond was elected to preach the associational sermon, with Bro. J. A. Bell as alternate.

Bro. W. E. Lee was chosen to represent this body in the Southern Baptist Convention, and Bro. J. A. McCord alternate.

The following brethren volunteered as representatives to our State Convention: H. A. Dubois, J. P. Horton, J. S. Deaton, A. T. Cinnamond, B. R. Hughey, J. W. Crawford, J. A. Bell, N. F. Metts, C. E. Emerson, W. J. Self and T. C. Dockery.

The report on temperance was presented by Dr. J. W. Crawford, and pending its adoption was discussed by Bros. Crawford, Dubois, Hughey and McCord.

Bros. McCord and Cinnamond were appointed to prepare a resolution memorializing our State Legislature in behalf of the temperance cause, and the resolution is as follows:

Resolved, That the Coldwater Baptist Association, representing 40 churches, in the counties of DeSoto, Tate, Lafayette, Panola and Marshall, do hereby heartily endorse the policy of the State Executive Committee, outlined at its meeting in Jackson, July 9, 1907, requesting the Legislature of Mississippi at its next session to pass a prohibition statute covering the whole State, and the submission of a constitu-

tional amendment to the people, forever prohibiting the sale of intoxicating liquors as a beverage in this State.

Second, That the Clerk of this body be instructed to forward copies of this resolution to the governor, senators and the representatives of these counties in the General Assembly of Mississippi, with the respectful request that they labor and vote for the enactment of said prohibitory legislation. Respectfully submitted,

A. T. CINNAMOND,
J. A. McCORD.

The report, together with the resolution, were unanimously and heartily adopted.

TEMPERANCE.

One of the greatest evils of today is this liquor traffic. And it has been agitated, discussed and more resolutions passed upon it than upon any one evil or sin of this day.

Local option and temperance are efforts in the right direction, and have done good in giving tone and sentiment against the use of intoxicants, but they do not go far enough.

If we regard intemperance as the greatest enemy of mankind, from which comes want and poverty and murderous crimes daily, destroying the happiness of our homes, Christian influence and Church of God, then why not look for the remedy? We need church members, citizens and officers to teach temperance by practice, and when they cast their ballot cast it for a sober man; elect officers who will make it their duty to see that the law is enforced. This will be good, but your committee would recommend total abstinence as the only safe remedy. Respectfully submitted,

J. W. CRAWFORD, M.D.

Since our last session 32 deaths have occurred among our members. These have been distributed among the churches so that only a very few of them have escaped the sad experience.

Resolved, First, That though we grieve because of their absence, yet we bow with humble submission to the Divine will. Respectfully submitted,

A. J. DICKSON.

At 11 o'clock the business of the Association was suspended to listen to a very helpful sermon by Bro. Barnett, at the close of which the body adjourned to meet at 2 o'clock.

AFTERNOON SESSION.

The session opened with devotional exercises conducted by Bro. Bell.

On motion of Bro. Dubois the Treasurer was instructed to place in the hands of the Treasurer of the Executive Board all funds contributed for Associational Missions.

The report on orphanage was discussed by Bros. Horton, Dubois and Dockery. The report was adopted and follows:

ORPHANAGE REPORT.

Another year of brightest sun and darkest shadows has come and gone.

We are profoundly grateful to our Heavenly Father for His blessings upon our home, and for the knowledge that all things work together for our good.

The year just closed has been one of general good cheer and prosperity. Our children have had excellent good health. Only a few children during the whole year have been sick enough to require the attention of our good Dr. Fulgham, or nursing through the night.

Our Needs.

We need the same sympathetic, loyal, liberal, prayerful help in the future that you have given us in the past.

We need twelve or fifteen hundred dollars with which to complete our babies' building, and to feed our children during the summer months. We will need some furnishings for our babies' building.

Our Financial Statement.

We recommend that the children be taught to give to this institution. Early in life should they start to help those more unfortunate than themselves. We recommend also that an annual Thanksgiving collection be taken to support and maintain this home, as has been our custom.

The report on Mississippi College and Ministerial Education was prepared and presented by Bro. B. F. Whitten, and was ably discussed by the author, after which it was adopted.

REPORT ON MINISTERIAL EDUCATION AND MISSISSIPPI COLLEGE.

Mississippi College, in some sense, was the first-born child of Mississippi Baptists, and has been for long years strongly entrenched in the affection of our Baptist family.

Her history has been one of long, hard struggles in inspiring triumph.

In the absence of specific data your committee is unable to give even the approximate value of the grounds, buildings and equipment, or the exact amount of endowment, but in round numbers we have buildings into which a school of 500 or more might be placed with an endowment of about \$100,000.

During the past few years we have expended about \$75,000 in buildings and equipment, and added about \$60,000 to the endowment.

We have never had in the history of the school a stronger or more aggressive faculty, or one that has succeeded in enlisting and combining the efforts of our people in the interest of this great institution.

The present general enrollment is upward of 400, and perhaps 50 of these are ministerial students.

This increased patronage calls for an increase of interest on our part, which should find expression in prayer, in our homes and in all our church services, and in enlarged material support.

The Theological Department of Mississippi College is presided over by one of the most efficient and best consecrated men in the ranks of the Baptist Brotherhood, and being assured that our ministerial students are thus protected from the theories and speculations of this latter day, and that they will have the most careful schooling in the Book of books, we should seek to induce the attendance of our preacher boys and give them all necessary material support.

Our records show a slight increase in our contributions to this work over last year, and yet the figures should bring the blush of shame to our faces.

Let us consider this college our own, bring it into our hearts, introduce it into our daily routine of thought, conversation and prayer, and give it the material support that is necessary to place it in the very forefront of the onward march of educational and religious forces in this great, God-favored country. Respectfully submitted,

B. F. WHITTEN,
For the Committee.

Bro. J. A. Bell read the following report on Woman's Work, which was adopted after being discussed by Bros. Bell, Cinnamon, Horton and Hughey:

REPORT OF WOMAN'S WORK.

We have Bible authority for the women being busy in the Lord's work.

We brethren should follow Paul's admonition, when he said: "Help those women." They are a mighty force in the advancement of the coming of the Kingdom.

The Woman's Missionary Union has wrought wonderfully during the past year.

The Treasurer's report shows that the money yielded by the Union during the year aggregated in round numbers \$125,000, besides the support of the Margaret Home for Missionaries' Children and finishing the Tichenor Memorial Fund. Their plans for the coming year are in keeping with their motto, "Larger Things."

They hope to raise \$175,000 for Home and Foreign Boards. Of this amount Mississippi women plan to raise \$3,666 for Foreign and \$4,039 for Home Missions. They raised last year, besides the cash reported above, 248 boxes for frontier missionaries, valued at \$27,647.28. Mississippi women sent a number of the very best. We trust our women of the Coldwater Association will be in the forward march for "larger things" in prayer, study, organization and contribution. Any information as to literature, organization, etc., can be furnished free of charge by our State Secretary, Mrs. W. R. Woods, Meridian.

Sister Lizzie Mabry of Coldwater, the present Vice President of this Association, sent in a request that Sister Cinnamon be appointed to take her place, which request was granted. Respectfully,

J. A. BELL,

Holly Springs, Miss.

Bro. McCord introduced the following resolution, which was unanimously and heartily accepted:

"Resolved. That the thanks of this body be and are hereby extended to the Baptist Church and town of Como for cordial entertainment during the Association; also to the pastor, Rev. Haywood, and the committee for their attentive labors to make all comfortable and the meeting a success."

Bro. Horton presented the resolution as follows, which was adopted:

"Resolved. That the Clerk be allowed his usual fee for preparing and printing the minutes, and if a sufficient amount is not sent up, that he be allowed to draw on the treasury."

The following report by the Finance Committee was adopted:

FINANCE COMMITTEE'S REPORT.

We, your Committee on Finance, would submit the following report. We have made settlements with 39 churches as follows;

Received for Associational Missions	\$ 138.15
Received for State Missions	84.35
Received for Home Missions	153.30

Received for Foreign Missions	176.80
Received for Orphanage	70.90

CONSTITUTION

OF THE COLDWATER BAPTIST ASSOCIATION.

Article 1. This Association shall be called the Coldwater Baptist Association, which shall meet annually.

Article 2. The messengers representing the different churches shall, at the opening of the Association, present their letters of correspondence, which must state their appointment as delegates, together with the number of members in fellowship, the number baptized, received by letter, dismissed, excluded, restored and died during the year.

Article 3. Every church belonging to this body shall be entitled to three representatives, until their number exceeds fifty members, and for every additional fifty, one more.

Article 4. Churches of this Union failing to represent themselves at one Association will be expected to state the reasons of that failure at the next; and if any church fails for three successive meetings the Association may consider it dropped from its number; or shall have power to send a committee to inquire into the state of such church, as the Association may deem most advisable.

Article 5. Other churches may be admitted into this Union by signifying their desire to do so, by messengers and letter, provided they be deemed orderly and orthodox, and are willing to walk in fellowship with us.

Article 6. The Association shall have a Moderator and Clerk, who shall be chosen by ballot at each annual meeting, so soon as letters from the churches are read and the delegates' names enrolled.

Article 7. This Association shall have no power to adopt rules that shall at any time infringe upon the independence and rights of the churches; it shall, however, be at liberty to advise churches belonging to its body, or may separate from such churches as are known to walk disorderly.

Article 8. This Association shall have a fund for its expenses, and the churches may be at liberty to send up such funds as they may think proper, either for foreign or domestic missions, for the Bible or any benevolent institution; and the

Association shall appoint some one or more to take charge of same and forward them as they may be designated and report to the next Association.

Article 9. Any church of this Union having a difficulty that she cannot settle, may call for help from other churches, or may present the case to this body for advice. Such cases must be presented in the letter of correspondence, stating why it has not or could not be settled or decided by the church.

Article 10. Any church of this Union having members supposed to possess ministerial gifts, it is considered advisable for them to call in such ministerial aid as shall be deemed most competent to examine, in connection with the church, such member or members, and if thought worthy, to authorize such person or persons to preach the Gospel by the consent and authority of the church.

Article 11. This Association may correspond by letter and delegates with the Baptist State Convention of this State, and such other Associations as she may deem most conducive to the interest of Zion.

Article 12. The minutes of this Association shall be read, corrected and signed by the Moderator and Clerk before the session rises, and no Association shall adjourn, except in extraordinary cases, until it shall have finished all of its business.

Article 13. This Association shall not receive from individuals or churches for discussion any query which shall have a tendency to disturb the harmony of the body, but may give instruction to churches in all cases of difficulty as she may think prudent.

Article 14. This Constitution may be altered or amended at any regular meeting by a majority of two-thirds of the members present.
